MEMORANDUM FOR: Deputy Director for Operations  
Deputy Director for Administration  
Deputy Director for Science and

Deputy Director for Intelligence

FROM:

25X1

SUBJECT: Draft Testimony Regarding Unauthorized  
Disclosure of Intelligence Information

1. Attached is draft testimony to be given to a Joint House Committee on 7 February regarding the effect of unauthorized disclosure on U.S. national security.

2. Because certain of the examples contain information regarding ongoing CIA operations, it was decided that these examples would be given to Members only (see Tab A for Members only testimony). The remaining examples, which are all highly classified, but which do not jeopardize human sources still in place or collection systems still in development, would be given to both Members and staff (see Tab B for testimony to be given to Members and cleared staff).

3. The DCI has asked to review this testimony today. I would appreciate if you would review this testimony for accuracy, content and classification.
